SUMMARY

Communicative individual seeking exciting challenges and development opportunities. Adaptable and open to collaborating within an international community, while also effective at working independently. A fast learner, I actively pursue knowledge in diverse fields during my spare time. Currently, I am dedicated to enhancing my skills in Finnish language and front-end web development. I am also a long-term social media platforms moderator for an American Esports company.

LANGUAGES

- English: fluent,
- Polish: native language,
- Finnish: YKI certificate at the intermediate (B1) level,
- German & Russian: basic.
